Important information about ski-waxing:

Use of products containing fluor on skis for participants in 15-16 years class is forbidden in Norway.

EU/EØS have also forbidden production, sales and use of products that **contains C8/PFOA, for all participants and every classes**. We appreciate that the rules will be respected.

There will be possible to wax skis in a big tent on the stadium. There will be electric power available. Equipment for waxing must brought along with the teams.
